RE: Cunningham Water District
Case No. 2023-00323 Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

1. 807 KAR 5:076, Section 4(1)(h): Statement of Disclosure of Related Transactions, ARF Form-3. The (Position/Office) line, below the (Printed Name) line, of the person signing each ARF Form-3 needs to be completed.
2. 807 KAR 5:076, Section 5(4): In the Customer Notice, the Dollar Increase of \$3.88 for the First 2,000 gallons from Phase 1 to Phase 2 is incorrect when subtracting \$19.60 from \$23.47. Please provide the correct Dollar Increase difference from Phase 1 to Phase 2 for the First 2,000 gallons and adjust the Percentage Increase if it is required because of the recalculation. If the discrepancy is due to rounding, please explain. If the Customer Notice has mathematical errors, a re-notice will be required.

You are requested to submit the information necessary to cure the deficiencies within 10 days of the date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in blue ink that reads "Linda C. Bridwell".
