

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC JOINT APPLICATION OF ROWAN)	CASE NO.
WATER, INC. FOR APPROVAL OF WATER)	2023-00370
TRAINING)	

ORDER

On December 5, 2023, the Commission entered an Order conditionally approving and accrediting the water district training program offered by Rowan Water, Inc. (Rowan Water), titled *Rowan Water Director Training Sessions 1 & 2* (Training Program) to satisfy up to six hours of annual training described by KRS 74.020(6) and (7). When the Training Program was conditionally approved, it was scheduled to take place on December 13, 2023, and on another date in late December 2023 or January 2024 that was to be scheduled. Following the training, Rowan Water submitted materials indicating, among other things, that the Training Program was conducted on December 13, 2023, and January 10, 2024, without material change, the name and district of each attending water district commissioner, whether the water district commissioner attended remotely or in person, and the number of hours that each water district commissioner attended. Having reviewed the materials submitted by Rowan Water and being otherwise sufficiently advised, the Commission finds that the Training Program should be granted final approval.

IT IS THEREFORE ORDERED that:

1. The Training Program is approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020(6) and (7).

2. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

3. This case is closed and removed from the Commission's docket.
