

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF POWELL'S	)	CASE NO.
VALLEY WATER DISTRICT FOR A RATE	)	2023-00387
ADJUSTMENT PURSUANT TO 807 KAR 5:076	)	

ORDER

On January 10, 2024, Powell's Valley Water District (Powell's Valley District) filed its application with the Commission requesting an adjustment to its water and sewer rates pursuant to 807 KAR 5:076. Powell's Valley District filed this proceeding in compliance with the final Order in Case No. 2023-00053. In that proceeding, Powell's Valley District was ordered to file an application by June 30, 2024, for either a general rate adjustment pursuant to 807 KAR 5:001, Section 16, or for an alternative rate adjustment (ARF) pursuant to 807 KAR 5:076 to ensure its revenue is sufficient to support adequate and reliable service.

Commission regulation 807 KAR 5:076, Section 5(2)(b)(3), requires that a utility publish notice "once a week for three (3) consecutive weeks in a prominent manner in a newspaper of general circulation" in the utility's service area. Powell's Valley District has scheduled notice to be published in *The Powell County Patriot*, which is published once every two weeks, for three consecutive publication periods. Powell's Valley District's application otherwise complies with the filing requirements found in 807 KAR 5:076. The Commission, on its own motion, finds that Powell's Valley District should be granted a deviation from the requirement set forth in 807 KAR 5:076, Section 5(2)(b)(3), and that

publishing the customer notice in three consecutive publications of *The Powell County Patriot*, provides sufficient customer notice of the proposed rate adjustment.

IT IS THEREFORE ORDERED that:

1. Powell's Valley District is granted a deviation from the requirements of 807 KAR 5:076, Section 5(2)(b)(3).

2. Powell's Valley District's application is accepted for filing as of January 10, 2024.
