TO JACKSON PURCHASE ENERGY CORPORATION

Jackson Purchase Energy Corporation (Jackson Purchase Energy), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on or before either 14 days after submission of the rate application or 21 days after the date of this request, whichever is later. The Commission directs Jackson Purchase Energy to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Jackson Purchase Energy shall make timely amendment to any prior response if Jackson Purchase Energy obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Jackson Purchase Energy fails or refuses to furnish all or part of the requested information, Jackson Purchase Energy shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Jackson Purchase Energy shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide the following expense account data:
 - a. A schedule, in comparative form, showing the operating expense account balance for the test year and each of the three most recent calendar years for each account or subaccount included in Jackson Purchase Energy's annual report. Show the percentage of increase or decrease of each year over the prior year.

b. A listing, with descriptions, of all activities, initiatives or programs undertaken or continued by Jackson Purchase Energy since its last general rate case for the purpose of minimizing costs or improving the efficiency of its operations or maintenance activities. Include all quantifiable realized and projected savings.

2. Provide the capital structure at the end of the five most recent calendar years and each of the other periods shown in Schedule A1 and Schedule A2.

3. Provide the following:

a. A list of all outstanding issues of long-term debt as of the end of the latest calendar year together with the related information as shown in Schedule B1.

b. An analysis of short-term debt as shown in Schedule B2 as of the end of the latest calendar year.

4. Provide Jackson Purchase Energy's internal accounting manuals, directives, and policies and procedures.

5. Provide Jackson Purchase Energy's long-term construction planning program.

6. Concerning Jackson Purchase Energy's construction projects, for each project started during the last five calendar years, provide the information requested in the format contained in Schedule C. For each project, include the amount of any cost variance and delay encountered, and explain in detail the reasons for such variances and delays.

7. Provide the information shown in Schedule D for each construction project in progress, or planned to be in progress, during the 12 months preceding the test year.

8. Provide, in the format provided in Schedule E, an analysis of Jackson Purchase Energy's Construction Work in Progress (CWIP) as defined in the Uniform System of Accounts for each project identified in Schedule D.

9. Provide a calculation of the rate or rates used to capitalize interest during construction for the three most recent calendar years. Explain each component entering into the calculation of the rate(s).

10. Provide the following monthly account balances for the test year for the total company and Kentucky jurisdictional operations:

- a. Plant in service (Account No. 101);
- b. Plant purchased or sold (Account No. 102);
- c. Property held for future use (Account No. 105);
- d. Completed construction not classified (Account No. 106);
- e. Construction work in progress (Account No. 107);
- f. Depreciation reserve (Account No. 108);
- g. Materials and supplies (include all accounts and subaccounts);
- h. Computation and development of minimum cash requirements;
- i. Balance in accounts payable applicable to amounts included in utility plant in service;
- j. Balance in accounts payable applicable to amounts included in plant under construction; and
- k. Balance in accounts payable applicable to prepayments by major category or subaccount.

11. Provide a reconciliation and detailed explanation of each difference, if any, in Jackson Purchase Energy's capitalization and net investment rate base for the test year.

12. Provide the journal entries relating to the purchase of utility plant acquired as an operating unit or system by purchase, merger, consolidation, liquidation, or otherwise currently included in rate base. Also provide a schedule showing the calculation of the acquisition adjustment at the date of purchase or each item of utility plant, the amortization period, and the unamortized balance at the end of the test year.

13. Provide a copy of Jackson Purchase Energy's most recent depreciation study. If no such study exists, provide a copy of Jackson Purchase Energy's most recent depreciation schedule. The schedule should include a list of all facilities by account number, service life and accrual rate for each plant item, the methodology that supports the schedule, and the date the schedule was last updated.

14. Provide Jackson Purchase Energy's cash account balances at the beginning of the test year and at the end of each month during the test year for total company and Kentucky jurisdictional operations.

15. Provide the average number of customers on Jackson Purchase Energy's system by rate schedule for the test year and two most recent calendar years.

16. Provide a schedule, in the format provided in Schedule F, of electric operations net income, per kWh sold, per company books for the test year and three calendar years preceding the test year.

17. Provide the comparative operating statistics as shown in Schedule G.

18. Provide the information requested in Schedule H for budgeted and actual numbers of full- and part-time employees by employee group, by month, and by year; and regular wages, overtime wages, and total wages by employee group, by month, for the test year and three most recent calendar years preceding the test year. Explain any variance exceeding 5 percent. Complete the information requested in Schedule H1.

19. State whether Jackson Purchase Energy, through an outside consultant or otherwise, performed a study or survey to compare its wages, salaries, benefits, and other compensation to those of other utilities in the region, or to other local or regional enterprises since Jackson Purchase Energy's last base rate case.

a. If comparisons were performed, provide the results of the study or survey, including all workpapers and discuss the results of such comparisons. State whether any adjustments to wages, salaries, benefits, and other compensation in the rate application are consistent with the results of such comparisons.

b. If comparisons were not performed, explain why not.

20. Provide the most recent wage, compensation, and employee benefits studies, analyses, or surveys conducted since Jackson Purchase Energy's last base rate case or that are currently utilized by Jackson Purchase Energy.

21. For each employee group, state the amount, percentage increase, and effective dates for general wage increases and, separately, for merit increases granted in the past three calendar years.

22. Provide a schedule reflecting the salaries and other compensation of each executive officer for the test year and three most recent calendar years. Include the percentage annual increase and the effective date of each increase, the job title, duty and

responsibility of each officer, the number of employees who report to each officer, and to whom each officer reports. For employees elected to executive officer status since the test year in Jackson Purchase Energy's most recent rate case, provide the salaries for the persons they replaced.

23. Provide a listing of all health care plan categories, dental plan categories, and vision plan categories available to corporate officers individually and to groups defined as Directors, Managers, Supervisors, Exempt, Non-Exempt, Union, and Non-Union Hourly employees (e.g., single, family). Include the associated employee contribution rates and employer contribution rates of the total premium cost for each category, and each plan's deductible(s) amounts.

24. Provide all current labor contracts and the most recent labor contracts previously in effect.

25. Provide each medical insurance policy that Jackson Purchase Energy currently maintains.

26. Provide detailed descriptions of all early retirement plans or other staff reduction programs Jackson Purchase Energy has offered or intends to offer its employees during the test year. Include all cost-benefit analyses associated with these programs.

27. Provide a complete description of Jackson Purchase Energy's other post-employment benefit package(s) provided to its employees.

- d. Total expenditures of each organization including the basic nature of costs incurred by the organization; and
- e. Details of the expected benefits to Jackson Purchase Energy.

37. Provide a running total the following information concerning the cost of preparing this case:

- a. A detailed schedule of expenses incurred to date for the following categories: For each category, the schedule should include the date of each transaction, check number or other document reference, the vendor, the hours worked, the rates per hour, amount, a description of the services performed, and the account number in which the expenditure was recorded. Provide copies of any invoices, contracts, or other documentation that support charges incurred in the preparation of this rate case. Indicate any costs incurred for this case that occurred during the test year.

- (1) Accounting;
- (2) Engineering;

- (3) Legal;
- (4) Consultants; and
- (5) Other Expenses (Identify separately).

b. An itemized estimate of the total cost to be incurred for this case. Expenses should be broken down into the same categories as identified in Item 37.a. above, with an estimate of the hours to be worked and the rates per hour. Include a detailed explanation of how the estimate was determined, along with all supporting workpapers and calculations.

c. Provide monthly updates of the actual costs incurred in conjunction with this rate case, reported in the manner requested in Item 37.a. above. Updates will be due when Jackson Purchase Energy files its monthly financial statements with the Commission, through the month of the public hearing.

38. Provide the following information for the most recent calendar year concerning Jackson Purchase Energy and any affiliated service corporation or corporate service division/unit:

a. A schedule detailing the costs charged, either directly or allocated, by Jackson Purchase Energy to the service company. Indicate Jackson Purchase Energy's accounts where these costs were originally recorded. For costs that are allocated, include a description of the allocation factors utilized.

b. A schedule detailing the costs charged, either directly or allocated, by the service company to Jackson Purchase Energy. Indicate Jackson Purchase Energy's accounts where these costs were recorded. For costs that are allocated, include a description of the allocation factors utilized.

39. Provide the following information for the most recent calendar year concerning all affiliate-related activities not identified in response to Item 38:

a. Provide the names of affiliates that provided some form of service to Jackson Purchase Energy and the type of service Jackson Purchase Energy received from each affiliate.

b. Provide the names of affiliates to whom Jackson Purchase Energy provided some form of service and the type of service Jackson Purchase Energy provided to each affiliate.

c. Identify the service agreement with each affiliate, state whether the service agreement has been previously filed with the Commission and identify the proceeding in which it was filed. Provide each service agreement that has not been previously filed with the Commission.

40. Describe Jackson Purchase Energy's lobbying activities and provide a schedule showing the name, salary, and job title of each individual whose job function involves lobbying on the local, state, or national level.

41. Regarding demand-side management, conservation, and energy-efficiency programs, provide the following:

a. A list of all programs currently offered by Jackson Purchase Energy.

b. The total cost incurred for these programs by Jackson Purchase Energy in each of the three most recent calendar years.

c. The total energy and demand reductions realized through these programs in each of the three most recent calendar years.

d. The total cost for these programs included in the test year and expected energy reductions to be realized from these programs.

42. Provide the following information with regard to uncollectible accounts for the test year and three preceding calendar years (taxable year acceptable):

Identify the members who represent the cooperative on the board of directors of Jackson Purchase Energy. Also, identify the board members who are representatives to the Kentucky Association of Electric Cooperatives or the National Rural Electric Cooperative Association. If any changes occur in board membership during the course of this proceeding, update the response to this request.

47. Provide a detailed analysis of the total compensation paid to each member of the board of directors during the test year, including all fees, fringe benefits, and

expenses, with a description of the type of meetings, seminars, etc., attended by each member. Identify any compensation paid to Jackson Purchase Energy's board members for serving on Jackson Purchase Energy's board of directors. If any of the listed expenses in this analysis include the costs for a director's spouse, list expenses for the directors' spouses separately.

48. Provide Jackson Purchase Energy's written policies on the compensation of its attorneys, auditors, and all other professional service providers. Include a schedule of fees, per diems, and other compensation in effect during the test year. Include all agreements, contracts, memoranda of understanding, and any other documentation that explains the nature and type of reimbursement paid for professional services. If any changes occurred during the test year, indicate the effective date of these changes and the reason for these changes.

49. Provide Jackson Purchase Energy's policies, specifying the compensation of directors and a schedule of standard directors' fees, per diems, and other compensation in effect during the test year. If changes occurred during the test year, indicate the effective date and the reason for the changes.

50. Provide the date, time, and a general description of the activities at the most recent annual members' meeting. Indicate the number of new board members elected. For the most recent meeting and the five previous annual members' meetings, provide the number of members in attendance, the number of members voting for new board members, and the total cost of the meeting.

51. Provide any information, when known, that would have a material effect on net operating income, rate base, or cost of capital that have occurred after the test year but were not incorporated in the filed testimony and exhibits.

52. For the test year and the five preceding calendar years, provide a schedule detailing all nonrecurring charges by customer class which includes:

- a. Type of charge;
- b. Amount billed;
- c. Amount recovered;
- d. Number of times the charge was assessed; and
- e. Support for the nonrecurring charge.

53. To the extent not already provided, provide a copy of each cost of service study, billing analysis, and all exhibits and schedules that were prepared in Jackson Purchase Energy's rate application in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

54. To the extent not already provided, provide all workpapers, calculations, and assumptions Jackson Purchase Energy used to develop its test year financial information in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

55. State the credit metrics that are used in Jackson Purchase Energy's debt covenants.
