ORDER

On April 24, 2024 Western Mason County Water District (Western Mason District) filed an application,<sup>1</sup> pursuant to KRS 278.300, KRS 278.020, and 807 KAR 5:001 requesting Commission approval of a Certificate of Public Convenience and Necessity and associated financing to construct a water system improvements project and the installation of 825 radio read meters to replace existing meters.<sup>2</sup> Additionally, Western Mason District requested that the Commission issue a final Order in this matter before June 14, 2024.<sup>3</sup>

KRS 278.300(2) provides that the Commission must adjudicate an application for authority to issue an evidence of indebtedness within 60 days of the date that the

application was filed. KRS 278.300(2) also provides that the Commission can continue its review of the application for longer than 60 days upon a showing of good cause. Western Mason District filed a motion on April 24, 2024, requesting that the Commission enter a final Order in this case on or before June 14, 2024.<sup>4</sup> Based upon a review of the application, the Commission finds that an investigation longer than 60 days does not appear to be necessary to determine the reasonable necessity and appropriateness of the request, and that the investigation should be completed by June 21, 2024.

The Commission finds that a procedural schedule should be established for the orderly processing of this case. The procedural schedule is attached as an Appendix to this Order.

Additionally, any hearing scheduled in this matter shall be held on the designated day or days and continued until called from the bench by the presiding officer. Pursuant to 807 KAR 5:001, Section 2, if the hearing is not concluded on the designated day, the hearing may be continued upon verbal announcement by the presiding officer. A verbal announcement made by the presiding officer shall be proper notice of the continued hearing. Hearings are held in the Richard Raff Hearing Room at the offices of the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky. Witnesses who sponsor schedules, testimony, or responses to requests for information are expected to participate in person at a hearing.

<sup>4</sup> The Commission will use its best efforts to meet the time sensitive date, but it cannot be guaranteed.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in the Appendix to this Order shall be followed.

2. Western Mason District shall respond to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.

The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>5</sup> regarding filings with the Commission.

4. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter.
