ORDER

On August 30, 2024, Sandy Hook Water District (Sandy Hook District) filed an application with the Commission, pursuant to 807 KAR 5:076, requesting an adjustment to its water rates.¹ The Commission established a procedural schedule by Order dated September 23, 2024,² and amended on December 16, 2024,³ that, among other things, required Commission Staff to file with the Commission and serve upon all parties of record a written report (Commission's Staff Report) containing its findings and recommendations regarding Sandy Hook District's requested water rate adjustment, no later than March 21, 2025.

Due to the need for an additional data request that was not included in the amended procedural schedule, the Commission, on its own motion, finds that the procedural schedule established on September 23, 2024, and amended on December

¹ Pursuant to 807 KAR 5:076, Section 7(2), if the Commission has not issued an order after six months from the date an alternative rate filing, the application is deemed filed and the utility may place the proposed rates into effect, subject to refund, pending the Commission's order upon filing written notice with the Commission of its intent to do so. Otherwise, an applicant using the alternative rate filing procedure may not place the proposed rates into effect until the Commission has issued an order approving the rates. 807 KAR 5:076, Section 7(1).

² Order (Ky. PSC Sept. 23, 2024).

³ Order (Ky. PSC Dec. 16, 2024) at 2.

16, 2024, should be amended to afford Commission Staff additional time to prepare and file the Commission Staff's Report. Specifically, the Commission finds that the date for filing the Commission Staff's Report should be extended to March 28, 2025.

After Commission Staff's Report is filed on or before the amended deadline of March 28, 2025, Sandy Hook District will have 14 days to file a written response to Commission Staff's Report.⁴ If Sandy Hook District does not file written objections to a finding contained in Commission Staff's Report within 14 days after the date of the filing of Commission Staff's Report, it shall be deemed a waiver of all objections to that finding.⁵

IT IS THEREFORE ORDERED that:

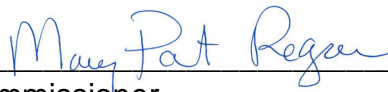

1. The procedural schedule established on September 23, 2024, and amended on December 16, 2024, is amended.
2. Commission Staff's Report shall be filed no later than March 28, 2025.
3. Sandy Hook District shall file its written response, if any, to Commission Staff's Report within 14 days of the filing of the Commission Staff's Report.
4. All provisions of the Commission's September 23, 2024 and December 16, 2024 Orders that are in conflict with the provisions of this Order are vacated, and all other provisions not in conflict with the provisions of this Order shall remain in effect.
