Comments: To KY Public Service Commission, I would like to add my voice to those that ARE NOT IN FAVOR of the approval of this Solar Project. I am very concerned about the large scale loss of farm land, serious environmental issues, and the loss of natural beauty to Breckinridge County that would result from this Project's approval. Further, if this Project is approved and ultimately fails, simple decommissioning cannot return our County to its original condition. Thank You, Steve Kahl
