SITING BOARD STAFF'S POST-HEARING REQUEST FOR INFORMATION
TO LOST CITY RENEWABLES LLC

Lost City Renewables LLC (Lost City Renewables), pursuant to 807 KAR 5:001, shall file with the Commission an electronic version of the following information. The information requested is due on June 27, 2025. The Siting Board directs Lost City Renewables to the Kentucky Public Service Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Lost City Renewables shall make timely amendment to any prior response if Lost City Renewables obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Lost City Renewables fails or refuses to furnish all or part of the requested information, Lost City Renewables shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied or scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Lost City Renewables shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Lost City Renewables' response to Siting Board's First Request for Information (Response to First Request), Item 37. Confirm whether the four inactive gas wells on the site have been properly plugged and abandoned, per Kentucky statute and

regulation. If not, explain the response and specifically identify which gas wells are being referenced.

2. Refer to the Application, Appendix G, Traffic Impact Study.

a. Confirm whether the traffic impact study has accounted for the traffic impact of timber removal.

b. If the traffic impact study did not account for timber removal, provide supplemental estimates on what impact timber removal will have on the project area's traffic.

3. Refer to the Application, Attachment G, Economic Analysis.

a. Confirm whether the economic analysis accounted for the loss of timber acreage.

b. If the economic analysis did not account for the loss of timber acreage, provide supplemental estimates on the economic impact of removing timber from the project site.

4. Refer to Lost City Renewables' response to First Request, Item 33. Explain whether Lost City Renewables has had any communication with Pennyrite Rural Electric Cooperative Corporation regarding the 69kV transmission line that intersects the project.
