it has a red light on it. Our bill has went sky high. They put the fuel surcharges and environmental surcharge and now school tax. They keep putting more & more charges on our bill that has nothing to do with the usage. I'm on a fixed income and I can't afford these charges. If my son had not moved in

here with me when my wife passed, I don't know what I'd do.
We do not heat with electric. We heat with gas.
We switched over about 8 years ago from a well to city water.
So now we don't have a pump going to pump the water. But we did
not even see a break then. We also updated the house to make
house warmer - winter summer/cooler.

Wherefore, complainant asks I want to see my electric

bill back down to where it should be. This
time of year around \$150. I honestly don't
see how people are living. How they can
eat, get their meds, go to Dr's and pay
bills. I guess you have to see which one is most
important.
