COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO ELWOOD RUSSELL

Elwood Russell, pursuant to 807 KAR 5:001, shall file with the Commission the following information by either mailing the response to the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky 40601, or by emailing the response to PSCED@ky.gov. The information requested is due on April 20, 2026.

Mr. Russell shall make timely amendments to any prior response if Mr. Russell obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Mr. Russell fails or refuses to furnish all or part of the requested information, Mr. Russell shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Mr. Russell shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

A copy of this request shall be served on the Elwood Russell by U.S. Postal Service First Class mail and Certified Mail, Return Receipt Requested, at 190 Tar Camp Road, Garrison, Kentucky 41141.

1. Explain whether you have identified any water leaks on your property. If so, provide:
 - a. A description of each leak.
 - b. The date of each leak that was identified.
 - c. Whether the leak was repaired and, if repaired, the date of repair.
2. Explain whether your reported water usage has returned to what you consider normal levels since July 2025.
3. Describe your water usage before and after July 2025. Include in your description whether your water usage would have been elevated for any reason from January 2024, through July 2025 compared to pre-January 2024 levels.
