## INTRA-AGENCY MEMORANDUM

### KENTUCKY PUBLIC SERVICE COMMISSION

**TO:** Case File No. 2025-00002

**FROM:** Ellen Fouser-Gormley, Staff Attorney

**DATE:** May 5, 2025

**RE:** Informal Conference of April 28, 2025

Pursuant to Commission Staff's Notice issued on April 25, 2025, an Informal Conference (IC) was conducted on April 28, 2025. Attached is a copy of the attendance roster.

The purpose of the IC was to discuss Duke Energy Kentucky, Inc.'s (Duke Kentucky) requested deadline being extended beyond June 30, 2025, and possible extension for the scheduled May 28, 2025 hearing.

Duke Kentucky discussed the fact that new discussions with its current supplier of magnesium enhanced lime were occurring the possibility of a longer-term supply contract, and, that if terms were agreed upon, the need to continue with this limestone conversion Application and the evidentiary hearing could be impacted.

Second, Duke Kentucky acknowledged that, in its Application, it had requested the Commission issue a decision by June 30th, if possible. Duke Kentucky wished to withdraw that request in order to accommodate a June hearing since Duke Kentucky counsel and two witnesses are not available for the scheduled May 28, 2025 hearing due to previously scheduled family vacations and will be out of town or out of the country.

Third, Sierra Club stated that one of its witnesses, Ms. Chelsea Hotaling, is scheduled to testify at multiple hearings in different jurisdictions during the month of June and requested both a date certain and the ability for her to appear virtually. Duke Kentucky did not object to either of the Sierra Club's requests regarding Ms. Hotaling appearing virtually or that a date certain be established for her participation and would support its request.

There being no further discussion, the IC was then adjourned.
