1. The Applicant will pay the Cooperative the sum of \$25.00 which, if this application is accepted by the Cooperative, will constitute the Applicant's membership fee. Upon termination of membership in any manner, the membership fee shall be refunded to the member, provided, however, the Cooperative shall deduct from the amount of the membership fee the amount of any debt or obligations owed by the member to the Cooperative.
2. The Applicant will purchase from the Cooperative electric energy used at address(es) designated, and will make payment of all amounts due on or before due dates. The Applicant understands that failure to do so will be just cause for discontinuance of electric service. The Board of Directors may expel from membership and/or discontinue electric service to any member who fails or refuses to comply with the Articles of Incorporation, Bylaws of the Cooperative, or its rules, regulations, and policies. The Applicant acknowledges that by dealing with the Cooperative, the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each Applicant, and both the Cooperative and the Applicant are bound by such contract, as fully as though each Applicant had individually signed a separate instrument containing such terms and provisions. Should the Applicant fail to comply with any of the terms of the Bylaws of the Articles of Incorporation of the Cooperative, and legal action is taken by the Cooperative to enforce such terms, the Cooperative shall be entitled to collect in such proceedings its reasonable attorney's fees and court costs.
5. The Applicant understands that their request for electric service requires connection to the Cooperative's distribution system. Consequently, the Applicant grants to the Cooperative the perpetual easement and right and privilege of free access across and through the land and premises of the undersigned Applicant to maintain its system, new or existing lines of any type, that might be located on the Applicant's property. The Applicant grants the Cooperative the right and privilege of maintaining proper right-of-way clearance which includes cutting and herbicide use to remove trees and bushes that are of such height and proximity to the electric lines that it may interfere with and/or create a hazard to the operation of the electric facilities, and to remove all structures, the hazards, and other objects of any other nature.
6. Acceptance of this application by the Cooperative shall constitute an agreement between the Applicant and the Cooperative for electric service and same shall continue from the date service is made available by the Cooperative to the Applicant until canceled by either party.
