<sup>1</sup> Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Salt River Electric shall make timely amendment to any prior response if Salt River Electric obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Salt River Electric fails or refuses to furnish all or part of the requested information, Salt River Electric shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Salt River Electric shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to the proposed tariff, P.S.C. No. 12, 8th Original Sheet No. 13. Provide the number of customers taking service under the Outdoor Lighting Schedule, by type of light, that utilize the lighting options that Salt River Electric is proposing to phase out.

2. Refer to Salt River Electric's notice pursuant to 807 KAR 5:011, Section 8, to its members that it has requested the Commission to allow it to modify its Outdoor

Lighting Schedule to allow it to use LED bulbs for customers taking service under the Outdoor Lighting Schedule that require lamp replacement.

a. Explain whether Salt River Electric is currently using LED bulbs for customers taking service under the Outdoor Lighting Schedule that require lamp replacement.

b. If Salt River Electric is using LED bulbs for replacement, state the number of Outdoor Lighting Schedule customers that have had lamp/lights replaced with LED bulbs and whether these customers have been moved to Salt River Electric's Schedule LED.

3. Refer to the proposed tariff, P.S.C. No. 12, 8th Original Sheet No. 17. Confirm that no customers are currently taking service under the Commercial Lighting Schedule that is being proposed to be removed from the tariff.

4. Refer to the Commission's March 27, 2025 Order in this proceeding, Appendix B, page 2 of 3. Provide all written correspondence between Salt River Electric and lighting suppliers regarding the availability of the lighting options that Salt River Electric is proposing to phase out.

5. Provide the difference in costs for Salt River Electric for the proposed replacement lighting and the lighting options that Salt River Electric is proposing to phase out.

6. Explain whether Salt River Electric considered other alternatives to replace the lighting options that Salt River Electric is proposing to phase out.
