DEAR COMMISSIONERS

RE: KU CASE NO 2025-00113

I HAVE BEEN A KU CUSTOMER ALL MY LIFE I THINK THEY ARE A RESPECTFUL COMPANY TO THE NEEDS OF THEIR CUSTOMERS.

I REALIZE THAT THE COST OF EVERYTHING IS INCREASING BUT RECENTLY THEY HAVE INSTALLED SMART METERS AND I WOULD THINK THIS IS SAVING A LOT OF MONEY.

I THINK THIS INCREASE IS EXCESSIVE AND UNFAIRLY RAISES RATES FOR RESIDENTIAL CUSTOMERS. SO I'M ASKING PSC TO DENY THIS INCREASE IN RATES OR AT LEAST CONSIDER LOWERING THE AMOUNT OF RAISE IN RATES THAT KU IS ASKING FOR.

SINCERELY
