ORDER

On May 30, 2025, Louisville Gas and Electric Company (LG&E) filed an application for a general adjustment of its base rates using a forecasted test year and included other related accounting requests and tariff changes. The application proposed that both the electric and gas rates become effective on July 1, 2025.

Pursuant to KRS 278.180(1), changes to any rate by any utility is prohibited except upon 30 days' notice to the Commission. Having reviewed LG&E's application, the Commission finds that an investigation is necessary to determine the reasonableness of the proposed electric and gas rates, and that an investigation cannot be completed by July 1, 2025. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of both the proposed electric and gas rates for six months, up to and including December 31, 2025.

The Commission, on its own motion, finds that a procedural schedule should be established for the orderly processing of this case. The procedural schedule is attached as an Appendix to this Order.

IT IS THEREFORE ORDERED that:

1. LG&E's proposed rates are suspended for six months, up to and including December 31, 2025.
2. The procedural schedule set forth in the Appendix to this Order shall be followed.
3. LG&E shall respond to all requests for information propounded by Commission Staff, whether identified on the procedural schedule or otherwise, as provided in those requests.
4. Any party filing a paper with the Commission shall file an electronic copy in accordance with the electronic filing procedures set forth in 807 KAR 5:001, Section 8. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked. The Commission directs the parties to the Commission's July 22, 2021 Order in Case No. 2020-00085<sup>1</sup> regarding filings with the Commission.
5. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either (1) a special interest in the proceeding that is not adequately represented in the case, or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Therefore, any person requesting to intervene in a Commission proceeding must state with specificity the person's special

PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

interest that is not otherwise adequately represented, or the issues and facts that the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of utility service consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

6. Any motion to intervene filed after the date established in the procedural schedule shall also show good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule.

7. Witnesses who sponsor schedules, testimony, or responses to requests for information shall participate in person at any hearing scheduled in this matter.

8. LG&E shall file a witness list at least seven days prior to the hearing date.

9. The Commission does not look favorably upon motions for continuance. Accordingly, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

10. The Commission does not look favorably upon motions to substitute witnesses or excuse witnesses from testifying at Commission hearings. Accordingly, motions to substitute witnesses or excuse a witness from testifying at a Commission hearing or from testifying in person at a Commission hearing shall be made in writing at least 14 days prior to the hearing and will be granted only upon a showing of good cause.
