SUBJECT: Louisville Gas and Electric
Application for Rate Adjustment DATE: [July 23, 2025]

COMMENTS: This is a one way facsimile being sent from a Public Library. I am sending this by way of facsimile because it is documented, in a printout, showing these documents were transmitted and received on a specific date and time.

These are comments regarding "Louisville Gas and Electric" application for Rate Adjustment:

1. "Louisville Gas and Electric" is a monopoly in Louisville, Kentucky. There is no competition against this entity to choose from which violates anti-trust laws. I do not really care if you voted on saving the Public and its Legal because you voted on it and it passed.
2. "Louisville Gas and Electric" just closed its main business office on Broadway in Louisville so it does not have the expense of operating that now. I was thrown out for asking who I was dealing with before they closed their office forcing people to deal with them some other way; as in contrived.
3. Little expense now for the remaining "meter readers" being employed for the City of Louisville as it has gone the way of "S.M.A.R.T. meter" which transmits "dirty electricity" that is not monitored for E.M.F. Health concerns even by the Louisville "Codes" Department. I wish to point out there is no surge protector on those "S.M.A.R.T. meters" as no insurance company will insure L.G. & E. for the "S.M.A.R.T. meters" being "fire hazards". If not then show who is insuring L.G. & E. for this?
4. The Kentucky Public Service Commission can not show it has "Jurisdictional Authority" to do anything. Show, to begin with, all your oaths of office all the way up to your Foreign Agent Registration statements because I can not get the "Commonwealth of Kentucky" into a witness stand — it is a fiction on a piece of paper. I did "jury duty" and was kicked out under armed guard when I kept asking everyone for to begin with their oath of office. Everything is a fraud. No one can prove who they are. You all will burn forever in Hell for what you all do. You may write to me at: Larry [Ellis], 302 Ian Court, Apartment H, Louisville, Kentucky [40243] 02 page Attachment — "Notice to Customers"
