I cannot get into the system to do my complaints on rate increase by Duke. I want to schedule a time for commissioners to come & do a meeting in Kenton County. My email [REDACTED] does not work to register or login. The programmer has been calling me & texting me about this. They say it is fixed but it is not.

I am against the rate hikes because this is one of the poorest states in the US I believe 46 or 47???? Why do you continue to come against KY???? We do not need another increase most people live pay check to pay check why??? Target another state that is richer than KY

Need a response to schedule meeting so people will fight against it too. Why do commissioners keep increasing rates ?? Who are you to decide??? Ohio lets those people vote in it. We have to let these 3 people make Dr idiots for us as a whole whether we w abt to or not!!!! Two are lawyers who make a substantial amount of money compared to everyone else so you will feel to raise because your income level is beyond everyone else. I do not know what third person does for a living but you are suppose to support the people of KY not Duke Energy!!!!
