Subject: Public Comment Case #2025-00208

Dear Public Service Commission,

Despite the fact that EKPC's rates have increased more slowly than other utilities across the state, EKPC ratepayers still have some of the highest energy burdens in the state. Instead of raising rates, we need EKPC to do more to lower our bills through energy efficiency and low cost demand-side management programs.

We can't afford to pay more. Writing as a senior on a fixed income, any increase in our bills can make a difference in being able to pay for other necessary expenses, i.e., healthy food, gas for my car, medications, and more.
