Comments:

This is exactly what Kentucky doesn't need right now! People already struggle to pay their bills as of now. This increase will only make it harder for lower income families to provide!! If these people ever had to decide weather to keep lights on or feed their kids they wouldn't be asking for an increase to make them richer!! These corporations don't not care about the community or members of the community. This would out even harder times on Kentucky families while the power company gets rich!! KENTUCKY CITIZENS FIRST NOT THE CORPORATIONS OF KENTUCKY
