Comments:

I am writing in reference to the rate increase requested. I wasn't able to make it to public meeting due to having to work as I can't leave work early as it takes every dollar I can make to pay my bills. My power bill just keeps getting higher. I make 30,000 ish a year as a single mom and I pay 10 thousand plus in power a year while the main power workers are easily bringing home 60 thousand plus with no worries. I am asking to please stop granting rate increases.
Thank you
