DISTRICT)	

ORDER

On November 25, 2025, South 641 Water District (South 641 District) filed a notice of intent for a Purchased Water Adjustment (PWA) due to increased wholesale water costs from its supplier, Murray Water and Sewer System (Murray). On December 8, 2025, South 641 District filed a withdrawal letter stating that the district does not wish to proceed with a PWA application at this time and preferred to wait until the Commission had completed its review of Murray's proposed rate increase.

The Commission finds that, based on the request to withdraw its application, South 641 District's request should be granted. This matter is dismissed without prejudice.

IT IS THEREFORE ORDERED that:

1. South 641 District's Purchase Water Adjustment application is dismissed.
2. This case is closed and removed from the Commission's docket.
