

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC JOINT SPECIAL CONTRACT	)	CASE NO.
FILING OF BIG RIVERS ELECTRIC	)	2026-00056
CORPORATION AND KENERGY CORPORATION	)	

ORDER

On February 25, 2026, Big Rivers Electric Corporation (BREC) and Kenergy Corporation (Kenergy) requested approval for an amendment to a special contract between BREC and Kenergy, and Pratt Paper (KY), LLC (Pratt). The amendment, referred to as a Load Modifying Resource Agreement (LMR Agreement), supplemented the Commission-approved Retail Agreement for Electric Service under which Kenergy provides service to Pratt. According to BREC and Kenergy, the LMR Agreement also allowed Pratt to participate in Midcontinent Independent System Operator, Inc.'s, (MISO) LMR program for the 2026–2027 Planning Year, provided MISO received Pratt's registration by March 1, 2026. The Commission, on February 26, 2026, issued an Order establishing this proceeding, suspending the LMR Agreement for a day, and allowing the agreement to be placed in effect subject to a final order in this matter.

BREC, on February 27, 2026, filed an executed copy of the LMR Agreement. Because BREC has developed internal processes for administering MISO's LMR program on behalf of its member-owner cooperative, and Pratt's participation in MISO's LMR program provides reliability and financial benefits to BREC and Kenergy, the Commission finds that the LMR Agreement should be approved.

IT IS THEREFORE ORDERED that:

1. The LMR Agreement is approved.
2. This case is closed and removed from the Commission's docket.
