PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Lynn Bark Energy shall make timely amendment to any prior response if Lynn Bark Energy obtains information that indicates the response was incorrect or incomplete when made or, though correct or complete when made, is now incorrect or incomplete in any material respect.

For any request to which Lynn Bark Energy fails or refuses to furnish all or part of the requested information, Lynn Bark Energy shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Lynn Bark Energy shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide the Route Study that was completed by Stantec.
2. Explain what happens to the trees after they are cleared for the proposed transmission line.
3. Provide any environmental studies that have not been submitted to the Siting Board.

4. Provide a list of all inspections and permits related to building and safety that will be conducted or obtained prior to generation at this facility.
