ORDER

On March 30, 2026, Alexandra Henry, on behalf of American Metal Chemical Corporation (AMCOR), tendered for filing a complaint against East Daviess County Water Association, Inc. (East Daviess Water). On information and belief, Alexandra Henry is not an attorney licensed to practice law in Kentucky.

No person may engage in the practice of law in Kentucky without first obtaining a license to practice.

The practice of law is any service rendered involving legal knowledge or legal advice, whether of representation, counsel or advocacy in or out of court, rendered in respect to the rights, duties, obligations, liabilities, or business relations of one requiring the services.¹

¹ Kentucky Supreme Court Rule 3.020.

It includes the representation of a business before a state administrative agency as Kentucky's highest court held in *Kentucky State Bar Association v. Henry Vogt Machine Co.*,² which stated that:

any attorney who is not licensed to practice in the State of Kentucky and who seeks to represent a client or employer before this Commission, must engage a member of the Kentucky Bar Association. It logically follows that if an unlicensed attorney may not represent a client before this Commission, neither may a layman.³

Commission regulations incorporate these sentiments. Commission regulation 807 KAR 5:001, Section 4(4), states in part: "A person shall not file a paper on behalf of another person, or otherwise represent another person, unless the person is an attorney licensed to practice law in Kentucky or an attorney who has complied with SCR 3.030(2)."

Based on the above, the Commission finds that AMCOR's complaint fails to comply with Kentucky law and cannot be accepted for filing. We further find that AMCOR should be granted 20 days from the date of this Order to have an attorney licensed to practice law in Kentucky file a signed complaint in this case. AMCOR's failure to have an attorney file a timely complaint in this case will result in dismissal without prejudice of AMCOR's complaint.

IT IS THEREFORE ORDERED that:

1. The complaint filed by AMCOR is rejected for filing.
2. Within 20 days of the date of service of this Order, AMCOR shall have an attorney licensed to practice law in Kentucky file a signed complaint. Failure to have an

attorney file a signed complaint in this case will result in dismissal without prejudice of the complaint and its removal from the Commission's docket without further Order.
