Subject: CASE NO. 2026-00152

Dear Linda,

Please have one of your lawyers read our CASE NO. 2026-00152. It is open and shut. Kentucky American Water is relying on your over abundance of work to stall our case. As two senior citizen farmers, we understand the over abundance of work. Please, please have someone read our case. Thank you Teresa Biagi and Raphe Ellis at Hazelfield Farm
