Re: Settlement Agreement
Case # 2010-00249

Dear Sir or Madam:

Enclosed you will find copies of the crew safety visits and the monthly safety meetings for the months of January, February, and March 2011 as requested per the settlement agreement. If you should need further information please contact me.

Thanks,

Robert Potter
Manager of Operations

Monthly Safety Report
February 02, 2011

There were no lost time accidents to report this month.

The regular Monday morning safety meetings were held by various staff members of Grayson Rural Electric.

- January 03, 2011—Priscilla Sparks, Director of Purchasing, was in charge of the meeting. Bob Potter, Manager of Operations, talked about the meter reading program and the safety record for the past year. He also talked about a recent safety committee investigation. Carol Fraley read from the Board Policy 508: Safety Practices and afterwards had an open discussion.
- January 11, 2011—Sherry Buckler, General Accounting Supervisor, was in charge of the meeting. Guest speakers were Jim Adkins and Alan Zumstein. They talked about a new energy efficient program including time of day rates, customer charge changed, smart home, read time pricing, prepay metering, critical peak pricing and inclining block. Julie Lewis had the monthly safety give-a-way. Carol Fraley awarded certificates to Anita Bellew, Sherry Conley, and Becca Richardson. Bob Potter, Manager of Operations, reminded everyone to work safe.
- January 25, 2011—Kyle Clevenger, Assistant Mgr. of Operations, was in charge of the meeting. Bill Massey attended for the monthly safety meeting. His topic was on Protective Grounding and after the meeting he tested the grounds in the trucks. Bob Potter reminded everyone to be careful.
- January 17, 2011—Kim Bush, Mgr. of Marketing/Mbr.Service, was in charge of the meeting. Bob Potter introduced new employee, Bradley Cherry. Mike Martin talked about a meeting he and Mark Hutchinson had attended. It was a 4 day course entitled Forman's Academy.
- January 31, 2011—Don Combs, Mgr. of Finance & Accounting, was in charge of the meeting. Josh Trent, Tom Lewis, and Cindy Faulkner from Frontier Housing attended the meeting. They talked about low interest loans for home renovations, heat pumps, and affordable housing. Jeff Fugate from M.A.C.E.D. attended the meeting and talked about investments in your infrastructure which is included in and paid back on your electric bill.

Bob continues to mention the necessity and importance of hard hats, rubber gloves and the importance of using ground chains. A line is not dead until it is grounded.

Bob Potter, Manager of Operations

Monthly Safety Report
March 01, 2011

There were no lost time accidents to report this month.

The regular Monday morning safety meetings were held by various staff members of Grayson Rural Electric.

- February 09, 2011—Carol Fraley, Manager & C.E.O., was in charge of the meeting. She talked about the safety record over the past year and handed out safety incentive checks. Don Combs showed and discussed the 2012 work plan. Bob Potter gave an update on construction and completed jobs that were listed on the work plan.
- February 18, 2011—Bonita Gearhart, Executive Assistant, was in charge of the meeting. Bob Potter gave Mark Hutchinson and Mike Martin certificates for completion of Foreman Academy: Track One. Julie had the monthly safety give-a-way. Bill Massey from K.A.E.C. attended for the monthly safety meeting. His topic was on Bucket Truck Rescue. It included job briefings, know your truck, may day calls, giving first aid and CPR.
- February 21, 2011—Andrea McCleese, Technical Services Supervisor, was in charge of the meeting. Sue Roberts read from the Safety Manual pages 158 – 160, Grounding-General and Equal Potential grounding.
- February 28, 2011—Brian Poling, Mgr. of Technical Services, was in charge of the meeting. He talked about the P.S.C. inspection that will be in March. He went over what everyone needs to know to be prepared such as Emergency Response Manual, M.S.D.S., fire extinguishers and where they are located. Bob Potter and Carol Fraley talked about copper theft at substations and safety issues because of theft.

Bob continues to mention the necessity and importance of hard hats, rubber gloves and the importance of using ground chains. A line is not dead until it is grounded.

Bob Potter, Manager of Operations

Monthly Safety Report

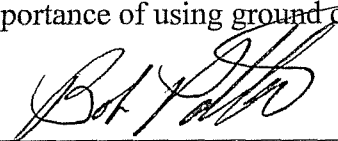

March 31, 2011

There were no lost time accidents to report this month.

The regular Monday morning safety meetings were held by various staff members of Grayson Rural Electric.

- March 09, 2011—Bob Potter, Manager of Operations, was in charge of the meeting. He talked about the P.S.C. inspection that will be in March. He went over what would be needed from maintenance and construction, such as line inspections, pole tags, tail gate sessions, and transformer inspections.
- March 14, 2011—Priscilla Sparks, Dir. Of Purchasing/Accounts Payable, was in charge of the meeting. Richard Easton read the Board Policy no. 508, Subject: Safety Practices, and discussed each topic. He also showed a video of an electric power wireman dedication. Bob Potter, Manager of Operations, gave an update on unit jobs that were completed and new jobs that were ready to start.
- March 25, 2011—Sherry Buckler, General Accounting Supervisor, was in charge of the meeting. Bill Massey from K.A.E.C. attended for the monthly safety meeting. His topic was on Personal Protective Equipment. This included ear protection, safety glasses, full body safety harness, hard hats, sleeves, rubber gloves, and arc-rated clothing. There was a discussion session afterwards and Bob Potter reminded everyone that a line is not dead until it is grounded.
- March 30, 2011—Kim Bush, Mgr. of Marketing & Member Services, was in charge of the meeting. Andrea introduced Trisha Richards from Milsoft. She conducted a training session on the new IVR phone system. Julie had the monthly safety give a way for March. Bob Potter, Manager of Operations, give an update on unit jobs. Carol Fraley awarded Bob a certificate for the completion of a 12 hour Superintendents' and Foremen's conference. Bob & Carol reminded everyone to stay safe.

Bob continues to mention the necessity and importance of hard hats, rubber gloves and the importance of using ground chains. A line is not dead until it is grounded.

Bob Potter, Manager of Operations
