Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. However, pursuant to 807 KAR 5:0001, Section 7, WSCK should file within 20 days of this letter, a copy of the material described herein as its customer complaints and resolutions, that redacts customer name, home address, telephone number, and any other personal identifiers of its customers. If the information becomes publicly available or no longer warrants confidential treatment, Water Service Corporation of Kentucky is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.
