Re: Kentucky Power Company
Post-Hearing Brief received 5/11/12 (cover letter received 5/16/12)
PSC Reference – Case No. 2011-00401

Dear Ms. Hans:

The Public Service Commission received on May 11, 2012, your Post Hearing Brief and your clarification letter (received May 16, 2012) outlining that the Post Hearing Brief contained confidential materials relating to testimony during the confidential sessions of the hearings conducted April 30, 2012 through May 2, 2012. In your Clarification letter you stated that you had supplied a redacted version along with your confidential version of your Post Hearing Brief. Therefore, the unredacted materials marked "Confidential" filed as the Attorney General's Post Hearing Brief will remain in a non-public part of the Commission's records in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Thank you for your clarification of the confidential materials. Please send a clarification letter for any future filings using materials deemed confidential by another party in the action to avoid any confusion.

Sincerely,

Jeff Derouen
Executive Director
