Re: **Case No. 2012-00085**

In the Matter of the Application of Duke Energy Kentucky, Inc., for an Energy Efficiency Cost Recovery Mechanism and for Approval of Additional Programs for Inclusion in its Existing Portfolio

Dear Mr. Derouen:

On March 6, 2012, Duke Energy Kentucky, Inc. (Duke Energy Kentucky) filed a Demand-Side Management (DSM) application (Application) requesting to add additional measures and new programs to its current DSM program portfolio. The new measures included a live, theatrical production category to the Energy Education for Schools Program (Program). In a June 29, 2012 Order, this Commission approved that Program for three academic years. The Commission further ordered that Duke Energy Kentucky provide a status report on the Program by August 15, 2013. Duke Energy Kentucky hereby reports the following information regarding this requirement:

The Names and Addresses of the Schools Where the Live Performances Were Held.

Please see Attachment A attached hereto.

The Number of Students at Each Performance.

Please see Attachment A attached hereto. Duke Energy Kentucky provided a number by school but could not provide a number by performance.

The Number of Surveys Received by Duke Energy Kentucky from the Students and Their Families, by Performance.

Please see Attachment A attached hereto. This number is by school, not performance.

The Number of Energy Efficiency Starter Kits Mailed to the Student's Homes, by Performance.

Please see Attachment A attached hereto. This number is by school, not performance.

The Proposed Schools that will be Visited in the Next Academic Year.

This is included in Attachment A hereto but this is a current state and Duke Energy Kentucky does not know which additional schools plan to participate in the next academic year.

Provide a Video of a Performance from the First Academic Year.

Duke Energy Kentucky has a video that was recorded during the evaluation of the performances in April/May 2013. The content of the videotape *The Energized Guyz* including the designs, logos, script, sets, costumes and performance is a copyright of The National Theatre for Children, Inc. and no commercial use can be made of the contents.

Please file stamp the two copies of this letter enclosed herein and return in the enclosed return-addressed envelope.

Very truly yours,

Rocco O. D'Ascenzo
