 EXECUTIVE DIRECTOR
 PUBLIC SERVICE COMMISSION

 FRANKFORT KY 40602

**Re: Joint Petition - Paducah Water Works and Hendron Water District
 Case No. 2012-00156**

Dear Mr. Derouen:

Pursuant to the order issued by the Public Service Commission dated July 2, 2012, the Commission approved the transfer of ownership of the Hendron Water District's entire water distribution system to Paducah Water Works.

One of the conditions within the foregoing Order was that within ten (10) days of the date the transfer was completed, the parties were to notify the Commission that the transfer of the assets was complete. Accordingly, please allow this letter to serve as notice that the transaction was closed and all assets were transferred on July 18, 2012.

The financial and statistical reports required by the Commission's Order are being prepared at this time and will be submitted to the Commission as quickly as possible. Further, a petition will be filed with the County Judge Executive to dissolve the Hendron District in accordance with the statutory requirements. I will forward a copy of the Order dissolving the district immediately upon receiving the same.

If you have any questions, please give me a call.

Sincerely yours,

 Melissa D. Yates
