Re: Big Rivers Electric Corporation
Petition for Confidential Treatment received 9/11/12
PSC Reference – Case No. 2012-00323

Dear Mr. Kamuf:

The Public Service Commission has received the Petition for Confidential Treatment filed on September 11, 2012 on behalf of Big Rivers Electric Corporation ("Big Rivers") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information sought to be treated as confidential is contained in Big Rivers' Responses to Commission Data Requests Nos. 19(b) and 20(b) pursuant to Appendix to Commission Order dated August 22, 2012. The information is described as 2 bid tabulation sheets in their entirety, containing bids supplied by fuel suppliers, ranking of bids, bid selection methodology, and revealing procedure and strategies for evaluating bids for fuel supply.

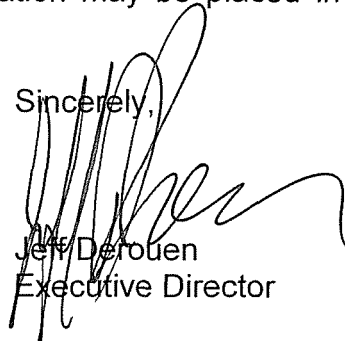

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to its competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Big Rivers' competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Big Rivers Electric Corporation is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
