Case No. 2013-00017

Fountain Run Water District

Defendant

MOTION FOR EXTENTION OF TIME

Comes now Fountain Run Water District ("Fountain Run"), by counsel, and hereby requests an extension of time to comply with ordering paragraph 4 of the Commission's Order dated March 6, 2014. In support of its motion, the Fountain Run states as follows:

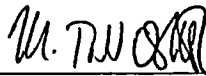

On March 6, 2014, the Commission ruled that Fountain Run should refund amounts paid by customers for sewer service of unoccupied properties that discontinued water service at any time during a five-year period from March 7, 2009, to March 6, 2014. In the order, the Commission required,

Within 30 days of the date of this Order, Fountain Run shall submit to the Commission detailed documentation regarding the number of customers, that discontinued water service, that were billed for sewer service at any time during the five-year period prior to the date of this Order, the amounts billed to each customer, and the date and manner in which refunds will be applied.

Fountain Run has been working diligently to compile the information requested by the

Commission. This information is not available on computer and must be assembled manually. Fountain Run has not been able to prepare the information requested by the Commission and prepare its plan by which refunds will be applied. Accordingly, Fountain Run respectfully requests an additional 30 days in which to comply with ordering paragraph 4 of the Commission's Order dated March 6, 2014.

Respectfully submitted,
