Re: *In the Matter of: In the Matter of Joint Application of Kenergy Corp.
and Big Rivers Electric Corporation for Approval of Contracts and for a
Declaratory Order – Case No. 2013-00221*

Dear Ms. Pinson:

Ordering paragraph number 5 of the order of the Public Service Commission ("Commission"), dated August 14, 2013, in the above-referenced docket requires Big Rivers Electric Corporation ("Big Rivers") to file quarterly updates detailing the revenues and expenses it has incurred in connection with the transaction that was the subject of this proceeding. On February 14, 2018, Big Rivers filed a motion to be relieved of the obligation to file such quarterly reports. As that motion is still pending, Big Rivers is filing its next quarterly report with this letter. Enclosed are an original and five (5) copies of Big Rivers' quarterly update.

Please confirm the Commission's receipt of this information by having the Commission's date stamp placed on the enclosed additional copy and returning it to Big Rivers in the self-addressed, postage paid envelope provided.

I certify that on this date, copies of this letter and enclosures were sent to each of the persons on the attached service list by first-class U.S. mail, postage pre-paid.

Please feel free to contact me with any questions about this filing.

Sincerely,

A handwritten signature in blue ink, appearing to be "TK" or similar initials, written over a blue line.
