Re: Case No. 2014-00038

Dear Mr. Derouen:

Pursuant to the Commission's order of December 11, 2014, Kentucky Frontier Gas, LLC provides the following information. It has reconfigured the Arnett compressor to serve as a booster for Frontier and can take gas from Jefferson at that location now for more flexibility, rather than the Parkway location farther away. Frontier also has a new supply contract with Jefferson Gas, which will provide a more reliable gas supply. Additional changes have been made to allow supplying more TCO gas from Auxier.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes  
Attorney for Kentucky Frontier  
Gas, LLC
