U.S. 60 WATER DISTRICT OF
SHELBY AND FRANKLIN COUNTIES

Area: Entire District

RULES AND REGULATIONS

Application:

Any person or other entity holding property adjacent to a District water main who is in need of having water supplied to his place of occupancy or property may apply for service by the District. All customers shall sign such documents, including the contract for water service, as may be provided and required by the District, provided that no person or entity otherwise eligible shall be permitted to become a customer of the District if the capacity of the District's water system, either in general or as to a particular area or line, is exhausted by the needs of its existing customers. (T)

Tap-on Fees:

A tap-on fee of \$1,000.00 for each new 5/8 by 3/4 inch meter installation or \$1,275.00 for each new 1-inch meter installation shall be paid regardless of location. The tap-on fee for meters exceeding one inch shall be the actual cost incurred by the District in purchasing and installing that particular new meter. (T)

Deposit and Interest:

The District will require a minimum cash deposit or other guaranty to secure payment of bills except as otherwise required by law. Service will be refused or discontinued for failure to pay the requested deposit. Interest as required by KRS 278.460 will be paid annually on the deposit, either by refund or credit to the customer's bill. (T)

The District may at its discretion waive a customer's deposit upon a showing of satisfactory credit or payment history. If a deposit has been waived or returned and the customer fails to maintain a satisfactory payment record, a deposit may then be required. The District may require a deposit in addition to the initial deposit if the customers' classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit

RULES AND REGULATIONS

Inspection of Service Line:

In the installation of a service line, the customer shall leave the trench open and pipe uncovered until it is inspected by the District and shown to be free from any tee, branch connection, irregularity, or defect. A charge of \$40.00 shall be charged for this service, unless the customer requests that the service be performed after hours, in which case the charge shall be \$50.00.

Turn-on Fee:

A Meter Turn-on Charge of \$40.00 will be made for each meter turn-on made during regular working hours, except that a turn-on charge will not be made for initial installation of service if a tap fee is applicable. If the customer requests that service be performed other than during regular working hours, the charge will be \$50.00.

(N)

Customer's Cut-off Valve:

The customer shall furnish and maintain a private cut-off valve on the customer's side of the meter.

Separate Meters:

A separate meter shall be installed for service to each residential or business unit. The customer will not permit anyone else to connect to the District's water line or meter or the customer's service line without the prior written consent of the District. Water furnished for a given residential or business unit shall be used on that unit only.

Involuntary Termination:

The District may in accordance with 807 KAR 5:006 Section 15 refuse to connect or may remove the meter and/or discontinue service for any of the following reasons: (T)

1. Violation of any of its Rules and Regulations, any of the provisions of the schedule of Rates and Charges, any

- of the provisions of the Contract for Water Service or other documents signed by the customer, the Commission's regulations, or any national, state or local code or applicable law, provided any notice required by the Commission's regulations has been given. (T)
2. The District may without advance notice to the customer discontinue service to the customer when a dangerous condition is found to exist or for fraudulent or illegal use of service, including the theft of water or the appearance of water theft devices on the premises of the customer. The District shall after termination provide any legally required notice to the customer. (T)
3. Non-payment of bills, provided the required 5-day written notice is sent and termination is not effected until 20 days have elapsed from the mailing date of the original bill. (T)
4. Refusing or neglecting to allow the District reasonable access to the customer's premises, provided the required 15-day written notice has been given. (T)

Service Reconnection Charge:

Service involuntarily terminated will be restored only after bills are paid in full and a Service Reconnection Charge of \$40.00 is paid for each meter reconnected during working hours. If at the customer's request it is reconnected after working hours the charge shall be \$50.00. (N)

Voluntary Termination By Customer:

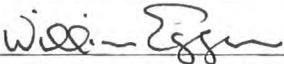

Customers who wish to discontinue service must give at least three (3) days written notice to the District.

Minimum Bill:

Each customer will pay the District's minimum monthly water bill as soon as the meter is installed by the District and water is made available

to the meter, regardless of whether the customer connects to the meter.

All Bills:

Bills will be mailed monthly. Bills are due when mailed. If not paid within 10 days of the date they are mailed by the District, a penalty equal to 10% of the bill will be applied and a 5-day notice of intended disconnection may be mailed. If this notice has been mailed and a bill remains unpaid 20 days after it was mailed by the District, the service will be discontinued. Should the final date for payment of the bill fall on a Sunday or holiday the business day next following the final date will be held as a day of grace for delivery of payment. Failure to receive bills or notices shall not prevent such bills from becoming delinquent nor relieve the customer from payment or disconnection of service.

(T)

Responsible Person:

The person or entity who signs the Contract for water service or its equivalent shall be responsible for payment of all bills incurred in connection with the service rendered.

Bad Check Fee:

The District may charge the customer any service charge which the District pays as a result of the customer's bad check or other dishonored payment method.

(T)

Tax Surcharge:

In addition to the collection of regular rates, the District may collect from the customer a proportionate share of any privilege, sales use or other tax or fee which may be imposed.

Meter Reading:

Meters will generally be read monthly, but the District reserves the right to estimate bills and/or to vary the dates of length of period covered, temporarily or permanently, if necessary or desirable.

Rates:

Bills for water will be figured in accordance with the District's published rate schedule and will be the larger of (1) the minimum bill or

(2) the bill based on the amount consumed for the period covered by the meter readings.

Delinquent Account Collection Charge:

A charge of \$40.00 shall be made for a trip to collect a delinquent account in order to avoid disconnection of service. A charge of \$50.00 will be made for such a trip when requested by the customer to be made after hours. Only one charge under this section can be assessed during a billing period. (N)

Meter Reading Recheck Charge:

A charge of \$40.00 shall be made for a trip to recheck a meter reading when the customer requests that an earlier meter reading be rechecked and such recheck shows the original reading was correct. The charge shall be \$50.00 if the customer requests that the reading be rechecked after hours. (N)

Meter Test Request:

Upon request a customer may have his meter tested by the District provided the request by the customer is not more frequent than once each twelve months. Adjustments will be made to the bill pursuant to 807 KAR 5:006, Section 11 where the meter is found to be more than 2 percent fast or slow. This test will be without charge provided the request by the customer is not more frequent than once each twelve months. If such test shows the meter to be less than 2% fast or slow, an \$85.00 charge shall be made. The charge shall be \$92.50 if the customer requests that the meter be tested after hours. (T)

PSC Meter Test Complaint:

Any customer of the District may request a meter test by written application to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Service Investigation Charge:

A charge of \$40.00 per trip shall be made for a service investigation during regular working hours if interruption of service is not caused by failure of the District's facilities. The charge for such investigation requested by the customer after working hours will be \$50.00 per trip. (N)

Meter Investigation Charge:

When an investigation of facilities on a customer's premises reveals meter seals broken, damaged meters, or unauthorized use of water, a meter investigation fee of \$40.00 shall be charged, or \$50.00 after hours, both in addition to the actual cost of repair and water used. (N)

After Hours Special Services Discouraged:

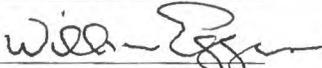

The District discourages its customers from requesting that special services be performed after the District's regular business hours due to the higher cost to the customer.

Right of Access:

The District's duly authorized representative and any duly authorized employee of the State Health Department bearing proper credentials and identification shall be permitted
