Customer Notice - Elizabethtown Water Service Area

Notice is hereby given that Hardin County Water District No. 2 (the "Water District") has filed an application with the Kentucky Public Service Commission (see Case No. 2014-00289) seeking approval: (i) to incur a long-term debt for the purpose of acquiring Elizabethtown's Water System Assets; and (ii) to implement the Elizabethtown Water Rate Tariff Schedule set forth in Elizabethtown Ordinance No. 07-2014 enacted on February 18, 2014 and also shown below. These rates will be applicable to current Elizabethtown water

customers and future customers receiving water service in the Elizabethtown Water Service Area. These rates will not apply to residents of Elizabethtown who are already customers of the Water District. The Elizabethtown Water Rate Tariff Schedule contains four (4) step rate increases. As approved by the Public Service Commission, Step 1 rates became effective for water service rendered by the Water District on and after November 1, 2014. The other step increases will become effective on the dates shown below.
