Re: Case No. 2014-00298

Dear Mr. Derouen:

Kentucky Rural Water Association held four (4) Utility Leadership Institute workshops during the month of September. On behalf of Kentucky Rural Water Association, I hereby attest that these workshops, herein referenced as Case No. 2014-00298, were held as scheduled. The planned course of instruction, approved for six (6) credit hours by the Commission, was performed as submitted.

As required, KRWA has included a list of commissioners who attended these sessions and earned continuing education credit for the approved courses. Each attendee was provided with a copy of Greg Coker's book, "Building Cathedrals: The Power of Purpose."

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Utility Leadership Institute workshops.

Sincerely,

Janet Cole
Education Coordinator
