**KENTUCKY POWER COMPANY’S 2024 TARIFF E.D.R.
ECONOMIC DEVELOPMENT REPORTS**

Consistent with the Commission’s July 9, 2019 Order in Case Nos. 2018-00378 and its September 24, 1990 Order Admin. 327, Kentucky Power Company hereby submits the following information regarding its Tariff E.D.R. (Economic Development Rider):

Exhibit 1: 2024 Economic Development Rate Contract Report

Exhibit 2: Summary of 2024 Tariff E.D.R. Contract Incremental Revenues and Costs

The Company notes that on September 15, 2023 in Case No. 2022-00424, the Commission approved a special contract for Cyber Innovation Group, LLC (“Cyber Innovation”) to take service and receive economic development discounts under the Company’s Tariff E.D.R. at its Rockhouse facility in Hatfield, Pike County, Kentucky (“Rockhouse Facility”). Subsequent to that approval, the Company worked with Cyber Innovation to ensure that it met all requirements under the approved EDR contract to receive EDR discounts. However, as of the date of this filing Cyber Innovation has failed to obtain all of the required security to continue receiving the EDR discounts for service at the Rockhouse Facility. The Company currently is providing service to Cyber Innovation at full tariffed rates and is reviewing its options under the EDR contract.

Respectfully submitted,
