In the Matter of: An Examination of the Application of the Fuel Adjustment Clause of Big Rivers Electric Corporation from November 1, 2012 through October 31, 2014
Case No. 2014-00455

Dear Mr. Derouen:

The Kentucky Public Service Commission ("Commission") issued an order in the above-referenced matters on July 27, 2015, in which the Commission approved a Stipulation and Recommendation agreement ("Stipulation") among the parties. The Stipulation provided that it was subject to review by the Rural Utilities Service ("RUS"). RUS approved the Stipulation on October 23, 2015. As such, Big Rivers Electric Corporation will file its revised FAC tariff within twenty days of that date as required by the July 27 order and will begin applying the FAC credits contemplated by the Stipulation beginning with the next available expense month. Please let me know if you have any questions.
