Re: Case No. 2014-00230 and 2014-00455

Dear Mr. Derouen:

The Office of the Attorney General (AG) and Kentucky Industrial Utility Customers, Inc. (KIUC) are engaged in discussions with Big Rivers regarding RUS's approval of the May 26, 2015 Stipulation. The three-month delay in approval from the RUS, from what was contemplated in the Stipulation, has created uncertainty as to how the FAC credits will be issued to Big Rivers' customers. Specifically, the parties are discussing how customers will be refunded FAC Credits in the event that the Commission issues an order approving new rates for Big Rivers prior to the payment of the full \$4.67 million in FAC Credits to customers as agreed to in the Stipulation.

The AG and KIUC will continue to work toward a resolution of this issue with Big Rivers and will make the appropriate filings with the Commission when the matter is either resolved between the parties or it becomes clear that the parties cannot come to an agreement.

By copy of this letter, all parties listed on the Certificate of Service have been served. Please place this document of file.

Very Truly Yours,

Jennifer Black Hans
Executive Director
Office of Rate Intervention
