CASE NO: 2015-00346

REPORT OF ACTION
Prepared December 6, 2017

Reference is made to the order entered into on December 16, 2015, which requires the Company to make a report to the Commission concerning the issuance of securities under the \$2,500,000,000 universal shelf registration.

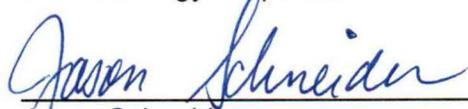

Atmos hereby reports:

On November 28, 2017, Atmos Energy entered into an underwriting agreement with Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, who are acting as the underwriters in connection with this offering. Subject to the terms and conditions of the underwriting agreement, the underwriters agreed to purchase from us 4,558,404 shares of common stock at a price of \$86.79 per share. The offering has been registered under the Securities Act pursuant to a registration statement on Form S-3 (Registration No. 333-210424) of Atmos Energy (the "Registration Statement"), and a prospectus supplement dated November 28, 2017, which was filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act on November 30, 2017. The underwriters propose to offer our shares of our common stock from time to time for sale in one or more transactions on the NYSE, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices. At the closing of the offering on December 1, 2017, Atmos Energy received net proceeds, after offering expenses, of approximately \$395 million. We intend to use the net proceeds from this offering to repay short-term debt under our commercial paper program, to fund capital spending primarily to enhance the safety and reliability of our system and for general corporate purposes.

A list of estimated fees and expenses related to the equity issuance is shown in Exhibit A. We will submit a final list of fees and expenses once all invoices have been received.

Please refer to the SEC website for confirmed copies of the registration statement and prospectus supplement to complete our filing requirements.
