Recognized hazards, personal protective equipment, energy source controls, special precautions, work procedure(s) to be used, and any other information that could affect the safety of my crew. I have verbally delivered my job briefing to my crew and have given each member the opportunity to ask questions.

I will appoint an observer or observers when and as required by company policy.

Additional briefings must be conducted if the scope of the work changes significantly or if additional hazards are recognized.

I am committed to work by the safety rules, to watch out for my co-workers, to speak up when I see a potentially unsafe condition or behavior, to accurately communicate with my co-workers, to ask questions if I am unsure, and to lead by example.

<b>Foreman (Employee In Charge) Name</b>
Nathan Phillips

Recognized hazards, personal protective equipment, energy source controls, special precautions, work procedure(s) to be used, and any other information that could affect the safety of my crew. I have verbally delivered my job briefing to my crew and have given each member the opportunity to ask questions.

I will appoint an observer or observers when and as required by company policy.

Additional briefings must be conducted if the scope of the work changes significantly or if additional hazards are recognized.

I am committed to work by the safety rules, to watch out for my co-workers, to speak up when I see a potentially unsafe condition or behavior, to accurately communicate with my co-workers, to ask questions if I am unsure, and to lead by example.

<b>Observer(s)(1)</b>
