RE: Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity Authorizing KU to Bid on a Franchise Established by the City of Sanders, Case No. 2017-00178

Dear Mr. Raff:

I am writing to clarify that KU's above-referenced filing made on May 3, 2017 was intended to supplement its original filing in Case Number 2017-00178. The supplemental filing was made in order to replace the City's sale ad which contained a typo and had to be republished. Accordingly, KU requests that Case No. 2017-00187 be dismissed and closed and the updated advertisement included in the May 3, 2017 filing should be placed in Case No. 2017-00178 as a supplement to KU's original CPCN application.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in blue ink that reads "Allyson K. Sturgeon".
