RE: Barkley Lake Water District  
Case No. 2008-00097

Dear Ms. Faulkner:

It is with much regret this report was not submitted in a more timely manor. I am pleased to inform the commission our project is now complete.

Construction on this project began on Monday, May 12, 2008 and was 50% complete on Wednesday, November 26, 2008. The project was completed on Wednesday, August 5, 2009.

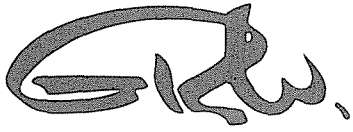

Please find enclosed the "as-built" drawings and certified statements for both the construction cost and completion of construction.

If you have any further questions or concerns, please do not hesitate to call. My cell Number is 270-350-1725.

Sincerely,

Terry Goins  
General Manager  
Barkley Lake Water District

Re: Water Tank Project  
Construction Completion Certification

Dear Mr. Goins:

Based on information from our field personnel and an on-site inspection, we hereby certify that the 1 MG water tank construction has been satisfactorily completed in accordance with the contract plans and specifications.

Please do not hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Louis E. Robbins', with a long horizontal flourish extending to the right.

Louis E. Robbins, P.E.
