Re: Case No. 2009-00442

Dear Mr. Derouen:

In Case Nos. 2009-00442 and 2009-00492, Kentucky Frontier Gas was directed to file tariffs reflecting the current and revised service obligations resulting from the transfers of those utilities. Kentucky Frontier currently has pending an application to acquire several other gas utilities. To avoid multiple filings and to allow a consolidated tariff for all of the companies recently acquired, Frontier requests that the time for filing the tariffs be extended to 45 days from the approval of the transfers pending in Case No. 2010-0076. The filing of one tariff will avoid duplicative filings and will simplify the tariff changes for Frontier.

Please let me know if you have any questions about this matter or if additional information is needed.
