Re: **Case No. 2010-00022**
Kentucky Rural Water Association's 2010 Management Conference,
Bridging the Gap

Dear Mr. Derouen:

On March 4, 2010 we submitted a letter to your attention attesting that our 2010 Management Conference was performed as originally submitted for approval. At that time we failed to include the names of the water district commissioners who attended and earned continuing education credit.

Enclosed is a list of water district commissioners who attended the KRWA Management Conference which includes their water district and the number of hours earned. We apologize for this error.

Sincerely,

Clem Wethington
Education Director
