RE: Administrative Case No. 360  
An Inquiry Into Universal Service and Funding Issues

Dear Mr. Derouen:

Pursuant to the May 24, 2007 Order in Administrative Case No. 360, ETCs are required by August 15 of each calendar year to submit the results of its annual audit of its entire Lifeline subscribership.

West Virginia PCS Alliance L.C. (dba nTelos) completed its annual audit of its entire Lifeline customer base through June 30, 2010. At the time of the audit, we had a total of 6 Lifeline customers. One customer no longer meets the eligibility requirements and has been removed from the Lifeline plan.
