RE: Trimble County Water District No. 1  
PSC Case No. 2008-00462

Dear Ms. Baxter:

Please provide an update to the progress of the project which was approved in the Commission's final order on Case No. 2008-00462.

In your letter of September 29, 2010 you write that "the project is still ongoing with hopes that substantial completion can be achieved by the end of October, 2010." You also state that you will be updating the Commission with the required plans as soon as they are available. Can you tell me when we can expect them?

Sincerely,
