Re: Columbia Gas of Kentucky, Inc.
Petition for Confidential Protection received 7/12/10
PSC Reference #: 2009-00141

Dear Mr. Seiple:

The Public Service Commission has received the Petition for Confidential Protection you filed on July 12, 2010 on behalf of Columbia Gas of Kentucky, Inc., ("Columbia"), to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in Columbia's Supplemental Responses to the Attorney General's First Data Request, number 189. The information is more particularly described as the redacted portions of Columbia's Supplemental Responses filed as Exhibit A, which contain methods and processes of debt valuation.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise Columbia's competitive position in the industry and reveal trade secrets, which would result in an unfair commercial advantage to its competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Columbia's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Columbia Gas of Kentucky, Inc. is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
