Alleged Failure to Comply with 807 KAR 5:006 and 807 KAR 5:061, Case No.  
2012-00370***

Dear Mr. Derouen:

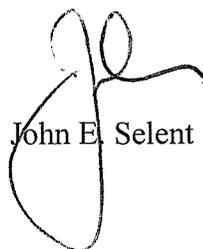

In accordance with the January 11, 2013 Order (the "Order") of the Public Service Commission of the Commonwealth of Kentucky (the "Commission"), please find enclosed with this letter a list of each of Mountain Rural Telephone Cooperative Corporation, Inc.'s ("Mountain Rural") employees who completed the Kentucky Transportation Center's Basic Work Zone and Flagger Qualification Program (the "Qualification Program"). Twenty-four Mountain Rural employees completed the Qualification Program, and all twenty-four employees successfully obtained certification. This certification must be renewed every two (2) years.

The Qualification Program provided five hours of training and instructed Mountain Rural's employees on the appropriate equipment and apparel that should be worn when working near roadways, appropriate hand signaling devices for and appropriate positioning of flaggers, the use of warning signs and caution indicators when working near roadways, and other general flagging procedures.

Thank you and if you have any questions, please call me.

Very Truly Yours,

DINSMORE & SHOHL LLP
